

Plus ONE Singles Seminar

September 25-26, 2021

Theme: "A Purpose Driven Faith." (Ephesians 2:10)

Plus ONE is a play on words referencing the times when you're invited to an event, and have the option to RSVP for yourself and a "plus one." Well, as a single person you don't always have a significant other who can be with you. Through this workshop, we want singles to know we have an everlasting "Plus ONE" through our connection to Christ because He is **Omniscient**, He is **Near** to us, and He is our **Everything!** With God as our Plus ONE, singles can walk confidently with a strong faith. This seminar is an opportunity for singles to obtain tangible strategies to help us improve our relationships and significantly impact the body of Christ.
